Article I: Definitions

- 1.1 **Accumulation Account** means the separate account(s) established for each Participant. The current value of a Participant's Accumulation Account includes all Plan Contributions, less expense charges, and reflects credited investment experience.
- 1.2 **Annual Additions** means the sum of the following amounts credited to a Participant's Accumulation Account during the Limitation Year: (a) Plan Contributions; (b) forfeitures, if any; and (c) individual medical account amounts described in section 415(l)(2) and 419A(d)(2) of the Code, if any.
- 1.3 **Beneficiary (ies)** means the individual, institution, trustee, or estate designated by the Participant to receive the Participant's benefits at his or her death.
- 1.4 **Board** means the Idaho State Board of Education and Board of Regents of the University of Idaho as defined in Idaho Code §33-101.
- 1.5 **Code** means the Internal Revenue Code of 1986, as amended.
- 1.6 **Compensation** means the amount reported as wages on the Participant's Form W-2, excluding compensation not currently included because of the application of Code Sections 125 or 403(b).

In addition to other applicable limitations stated in the plan, and notwithstanding any other provision of the Plan to the contrary, for Plan years beginning on or after January 1, 1996, the annual compensation of each employee taken into account under the Plan shall not exceed the OBRA '93 annual compensation limit. The OBRA '93 annual compensation limit is \$150,000, as adjusted by the Commissioner of the Internal Revenue Service for increases in the cost of living in accordance with section 401(a)(17)(B) of the Internal Revenue Code. The cost-of-living adjustment in effect for a calendar year applies to any period, not exceeding 12 months, over which compensation is determined (determination period) beginning in such calendar year. If a determination period consists of fewer than 12 months, the OBRA '93 annual compensation limit will be multiplied by a fraction, the numerator of which is the number of months in the determination period, and the denominator of which is 12.

For Plan years beginning on or after January 1, 1996, any reference in this Plan to the limitation under section 401(a)(17) of the Code shall mean the OBRA '93 annual compensation limit stated in this provision.

If compensation for any prior determination period is taken into account in determining an employee's benefits accruing in the current Plan Year, the compensation for that prior determination period is subject to the OBRA '93 annual compensation limit in effect for that prior determination period. For this purpose, for determination periods beginning before the first day of the first Plan Year beginning on or after January 1, 1996, the OBRA '93 annual compensation limit is \$150,000.

Notwithstanding the above, employees who became Participants in the Plan before the first day of the Plan Year beginning on or after January 1, 1996, will not be subject to the annual compensation limit.

- 1.7 **Date of Employment or Reemployment** means the effective date of the appointment for a faculty member. For all other employees, the Date of Employment or Reemployment is the first day upon which an employee completes an Hour of Service for performance of duties during the employee's most recent period of service with the Institution.

1.8 **Eligible Employee** means faculty or nonclassified staff of the Office of the Idaho State Board of Education, Boise State University, Idaho State University, University of Idaho, or Lewis-Clark State College initially appointed or hired between July 1, 1990 and June 30, 1993 who work on a .50 full-time equivalency basis or more and similar employees hired before July 1, 1990 who elected to participate in the Plan during the 90 day period from July 1, 1990 to September 28, 1990; and teaching staff and officers of the Office of the Idaho State Board of Education, Boise State University, Idaho State University, University of Idaho, or Lewis-Clark State College initially appointed or hired on or after July 1, 1993 who work on a .50 full-time equivalency basis or more; and teaching staff and officers of the College of Southern Idaho, North Idaho College, or Eastern Idaho Technical College initially appointed or hired on or after July 1, 1997 who work on a .50 full-time equivalency basis or more and similar employees hired before July 1, 1997 who elected to participate in the Plan during the 150 day period from July 1, 1997 to November 28, 1997. However, "Eligible Employee" shall exclude:

- b. an Employee whose employment is incidental to his or her status as a student at the Institution; and
- c. an Employee who is vested in the Public Employee Retirement System of Idaho (PERSI) and who makes a one time irrevocable election to remain a member of that retirement system within 60 days of the date of initial hire or appointment.

The term Eligible Employee shall not include any leased employee deemed to be an employee of the Institution as provided in Code Section 414(n)

If an individual is classified as an independent contractor during any period of providing services to the Institution, such individual will be deemed to be in an ineligible class of employees for purposes of the Plan during such period, even if the individual is determined to be a common law employee during such period pursuant to a government audit or litigation. Notwithstanding the above, if the failure to cover such reclassified individual would prevent the Plan from satisfying the minimum coverage requirement under Code Section 410(b) for a Plan year, the minimum number of such individuals necessary for the plan to fulfill such minimum coverage requirements will be included as eligible employees for the plan year, with preference given to those reclassified individuals with the smallest amount of compensation.

No individual who is deemed to be an independent contractor, as determined by the Plan Administrator in its sole discretion, or individual performing services for the Employer pursuant to an agreement that provides that such individual shall not be eligible to participate in the retirement or other benefit plans of the Employer, shall be an Eligible Employee for purposes of this plan.

However, any period for which a payment is made or due under a plan maintained solely for the purpose of complying with Workers' Compensation or unemployment compensation or disability insurance laws, or solely to reimburse the employee for medical or medically-related expenses is excluded. An employee is directly or indirectly paid, or entitled to payment by the Institution regardless of whether payment is made by or due from the Institution directly or made indirectly through a trust fund, insurer or other entity to which the Institution contributes or pays premium. No more than 501 Hours of Service will be credited under this paragraph. Hours of Service under this paragraph will be calculated and credited pursuant to Section 2530 200b-2 of the Department of Labor Regulations, incorporated herein by reference.
- (c) Each hour for which back pay, irrespective of mitigation of damages, is either awarded or agreed to by the Institution, without duplication of hours provided above, and subject to the 501-hour restriction for periods described in (b) above.

Hours of Service will be credited for employment with other members of an affiliated service group (under Code Section 414(m)), a controlled group of corporations (under Code Section 414(b)), or a group of trades or businesses under common control (under Code Section 414(c)) of which the Institution is a member, and any other entity required to be aggregated with the employer pursuant to Code Section 414(o) and the regulations thereunder. Hours of Service also will be credited for any person considered an employee for this Plan under Code Sections 414(n) or 414(o) and the regulations thereunder.

Article II: Establishment of Plan

2.1 *Establishment of Plan.* The Idaho State Legislature authorized the Board to establish the Plan as of July 1, 1990.

This Plan document sets forth the provisions of this Code Section 401(a) Plan. The Plan was restated as of November 1, 2001. Plan Contributions are invested, at the direction of each Participant, in one or more of the Funding Vehicles available to Participants under the Plan. Plan Contributions shall be held for the exclusive benefit of Participants.

Participant Plan Contributions are designated as being picked-up by the Institution in lieu of contributions by the Participant, in accordance with Code Section 414(h)(2).

It is intended that this Plan will not be subject to the requirements of ERISA under Department of Labor Regulation Section 2510.3-2(f).

Article III: Eligibility for Participation

- 3.1 **Eligibility.** An Eligible Employee must, as a condition of employment begin participation in this Plan on the Plan Entry Date following employment at the Institution.
- 3.2 **Notification.** The Institution will notify an Eligible Employee when he or she has completed the requirements necessary to become a Participant. An Eligible Employee who complies with the requirements and becomes a Participant is entitled to the benefits and is bound by all the terms, provisions, and conditions of this Plan, including any amendments that, from time to time, may be adopted, and including the terms, provisions and conditions of any Funding Vehicle(s) to which Plan Contributions for the Participant have been applied.
- 3.3 **Enrollment in Plan.** To participate in this Plan, an Eligible Employee must complete the necessary enrollment form(s) and return them to the Institution. An employee who has been notified that he or she is eligible to participate but who fails to return the enrollment forms will be deemed to have waived all of his or her rights under the Plan except the right to enroll at a future date.
- 3.4 **Reemployment.** A former employee who is reemployed by the Institution will be eligible to participate upon meeting the requirements stated in the "Eligibility" section of Article III. A former employee who satisfied these requirements before termination of employment will be eligible to begin participation immediately after reemployment provided the former employee is an Eligible Employee.
- 3.5 **Termination of Participation.** A Participant will continue to be eligible for the Plan until one of the following conditions occur:
- he or she ceases to be an Eligible Employee;
 - the Plan is terminated.

Furthermore, if a Participant begins to receive retirement benefits from the Accumulation Account(s) arising from Plan Contributions under this Plan before termination of employment, he or she will cease to be eligible and no further Institution Plan Contributions will be made on his or her behalf.

Article IV: Plan Contributions

- 4.1 **Plan Contributions.** Plan Contributions will be made for Eligible Employees who have satisfied the requirements of Article III as follows:

Each Institution shall contribute an amount equal to seven and eighty-one hundredths percent (7.81%) of each Participant's Compensation, reduced by any amount necessary, if any, to provide contributions to a total disability program, but in no event less than five percent (5%) of each Participant's Compensation; and

Each Participant shall contribute an amount equal to six and ninety-seven hundredths percent (6.97%) of his or her Compensation.

Plan Contribution rates are defined in Idaho Code §33-107A and are subject to change as that section is amended.

Plan Contributions are considered to be credited to Participants no later than the last day of the Plan Year for which the Plan Contributions are made.

- 4.2 **When Contributions Are Made.** Plan Contributions will begin when the Institution has determined that the Participant has met or will meet the requirements of Article III. Any part of a year's Plan Contributions not contributed before this determination will be included in contributions made for that year after the determination. Plan Contributions will be forwarded to the Fund Sponsor(s) in accordance with the procedures established by the Institution. Institution Plan Contributions will be forwarded to the Fund Sponsor(s) at least annually. Participant Plan Contributions will be forwarded by the Institution to the Fund Sponsor(s) as soon as it is administratively feasible for the Institution to segregate contributions, but in any event, within the time required by law.
- 4.3 **Allocation of Contributions.** A Participant may allocate Plan Contributions to the Funding Vehicle(s) in any whole-number percentages that equal 100 percent. A Participant may change his or her allocation of future contributions to the Funding Vehicle(s) according to the administrative procedures of the Fund Sponsor(s). A Participant may direct contributions to only one Fund Sponsor at any given time. However, a Participant may change Fund Sponsors once per calendar year by completing the appropriate forms provided by the Institution.
- 4.4 **Leave of Absence.** During a paid leave of absence, Plan Contributions will continue to be made for a Participant on the basis of Compensation then being paid by the Institution. No Plan Contributions will be made during an unpaid leave of absence.
- 4.5 **Transfer of Funds from Another Plan.** The Fund Sponsor shall accept contributions that are transferred directly from any other plan qualified under sections 401(a) or 403(a) of the Code, whether such plans are funded through a trustee arrangement or through an annuity contract, if such contributions are attributable only to employer and employee contributions and the earnings thereon and accompanied by instructions showing the respective amounts attributable to employer and employee contributions. Such funds and the accumulation generated from them shall always be fully vested and nonforfeitable.
- 4.6 **Acceptance of Rollover Contributions.** If a Participant is entitled to receive a distribution from another plan qualified under sections 401(a) or 403(a) of the Code that is an eligible rollover distribution under section 402 of the Code, the Fund Sponsor will accept such amount under this Plan provided the rollover to this Plan is made 1) directly from another plan; or 2) by the Participant within 60 days of the receipt of the distribution.
- 4.7 **Uniformed Services.** Notwithstanding any provision of this Plan to the contrary, contributions, benefits, and service credit with respect to qualified military service will be provided in accordance with §414(u) of the Code.

4.8 **Maximum Plan Contributions.** Notwithstanding anything contained in this Plan to the contrary, the total Annual Additions made for any Participant for any year will not exceed the amount permitted under section 415 of the Code. The limitations of Code Section 415 are hereby incorporated by reference.

For the purpose of calculating the limits of Code Section 415, compensation means a Participant's earned income, wages, salaries, and fees for professional services and other amounts received for personal services actually rendered in the course of employment with the employer maintaining the plan and excluding the following: (a) employer contributions to a plan of deferred compensation that are not includable in the Employee's gross income for the taxable year in which contributed, or employer contributions under a simplified employee pension plan to the extent such contributions are deductible by the Employee, or any distributions from a plan of deferred compensation; and (2) other amount that received special tax benefits, or contributions made by the employer (whether or not under a salary reduction agreement towards the purchase of an annuity described in Code Section 403(b) (whether or not the amounts are actually excludable from the gross income of the Employee). For years beginning after December 31, 1997, compensation shall include any elective deferral (as defined in Code §402(g)(3)) and any amount which is contributed or deferred by the Institution at the election of the Participant and which is not includable in the gross income of the Participant by reason of Code §125 or 457. For limitation years beginning on and after [enter the earlier of January 1, 2001 or the first day of the first limitation year for which the plan was operated in accordance with CRA amendment but in no case earlier than the first day of the first limitation year beginning on or after January 1, 1988], for purposes of applying the limitations described in this section of the Plan, compensation shall include elective amounts that are not includible in the gross income of the Participant by reason of Code § 132(f)(4).

To the extent permitted by Code Section 415 and the regulations promulgated thereunder, if the Annual Additions exceed the Section 415 limitations, the excess amounts will be disposed of as follows: (a) any Participant Plan Contributions (plus any gain attributable to the excess), to the extent they would reduce the excess amount, will be returned to the Participant; and, to the extent necessary, (b) if, after the application of (a) an excess still exists, the excess will be held unallocated in a suspense account and will be applied to reduce Institution Plan Contributions in succeeding limitation years.

If the limitations are exceeded because the Participant is also participating in another plan required to be aggregated with this Plan for Code Section 415, then the extent to which annual contributions under this Plan will be reduced, as compared with the extent to which annual benefits or contributions under any other plans will be reduced, will be determined by the Institution in a manner as to maximize the aggregate benefits payable to the Participant from all plans. If the reduction is under this Plan, the Institution will advise affected Participants of any additional limitation on their annual contributions required by this paragraph.

Article V: Funding Vehicles

5.1 **Funding Vehicles.** Plan Contributions are invested in one or more Funding Vehicles available to Participants under this Plan. The Fund Sponsors are:

- A. Teachers Insurance and Annuity Association-College Retirement Equities Fund (TIAA-CREF)
- B. Variable Annuity Life Insurance Company (VALIC)

Participants may choose any Funding Vehicle offered by a Fund Sponsor. The Institution's current selection of Fund Sponsors isn't intended to limit future additions or deletions of Fund Sponsors. Any additional accounts offered by a Fund Sponsor will automatically be made available to Participants in accordance with the procedures established by the Institution and the Fund Sponsor.

5.2 **Fund Transfers.** Subject to a Funding Vehicle's rules for transfers and in accordance with the provisions of the Code for maintaining the tax deferral of the Accumulation Account(s), a Participant may transfer funds accumulated under the Plan among the Plan's approved Funding Vehicles to the extent permitted by the Funding Vehicles.

Article VI: Vesting

- 6.1 ***Plan Contributions.*** Plan Contributions shall be fully vested and nonforfeitable when such Plan Contributions are made

Article VII: Benefits

- 7.1 **Retirement Benefits.** A Participant who has terminated employment may elect to receive retirement benefits under any of the forms of benefit, as provided below.

Forms of Benefit. The forms of benefit are the benefit options offered by the Funding Vehicles available under this Plan. These forms are equally available to all Participants choosing the Funding Vehicle. The forms of benefit available under this Plan include:

- ☐ Single life annuities as provided under the Funding Vehicle contract.
- ☐ Joint and survivor annuities as provided under the Funding Vehicle contract.
- ☐ Cash withdrawals (to the extent the Funding Vehicle permits and subject to the limitations in the "Cash Withdrawal" section of this Article).
- ☐ Fixed period annuities, as permitted by the Funding Vehicle contract.
- ☐ Retirement Transition Benefit.
- ☐ Such other annuity and withdrawal options as provided under the Funding Vehicle contract.

- 7.2 **Cash Withdrawals.** A Participant who has terminated employment may withdraw Participant Plan Contributions or receive benefits in any form the relevant Funding Vehicle permits, including a cash withdrawal. However, only an employee who has terminated employment and has attained age 55 may withdraw Institution Plan Contributions or receive benefits in any form the relevant Funding Vehicle permits, including a cash withdrawal.

Except, following retirement or termination of employment prior to age 55, if total accumulation is less than or equal to \$10,000, both Participant and Institution Plan Contributions are available in a cash withdrawal subject to any restrictions of the Funding Vehicles of the Fund Sponsor.

- 7.3 **Retirement Transition Benefit.** Unless the Minimum Distribution Annuity, or the Limited Periodic Withdrawal Option is elected, a Participant may elect to receive a one time lump-sum payment of up to 10 percent of his or her Accumulation Account(s) in TIAA and/or the CREF account(s) at the time annuity income begins, provided the one sum payment from each TIAA contract and/or CREF account(s) doesn't exceed 10 percent of the respective Accumulation Account(s) being converted to retirement income.
- 7.4 **Survivor Benefits.** If a Participant dies before the start of retirement benefit payments, the full current value of the Accumulation Account(s) is payable to the Beneficiary (ies) under the options offered by the Funding Sponsors. Distribution of Survivor Benefits is subject to the required distribution rules set forth in Code Section 401(a)(9).
- 7.5 **Application for Benefits.** Procedures for receipt of benefits are initiated by writing directly to the Fund Sponsor. Benefits will be payable by the Fund Sponsor upon receipt of a satisfactorily completed application for benefits and supporting documents. The necessary forms will be provided to the Participant, the surviving spouse, or the Beneficiary (ies) by the Fund Sponsor.

7.6 **Minimum Distribution Requirements.** The provisions of this Section will apply for purposes of determining required minimum distributions for calendar years beginning with the 2003 calendar year. The requirements of this Section shall apply to any distribution of a Participant's vested Accumulation Account(s) and will take precedence over any inconsistent provisions of this Plan. Distributions in all cases will be made in accordance with Code Section 401(a)(9) and the regulations promulgated thereunder.

(a) **Time and Manner of Distribution.**

- (i) **Required Beginning Date.** The participant's entire interest shall be distributed, or begin to be distributed, to the Participant no later than the Participant's Required Beginning Date.
- (ii) **Death of Participant Before Distributions Begin.** If the Participant dies before distributions begin, the Participant's entire interest shall be distributed, or begin to be distributed, no later than as follows:
 - (1) If the participant's surviving spouse is the Participant's sole designated Beneficiary, then distributions to the surviving spouse shall begin by December 31 of the calendar year immediately following the calendar year in which the Participant died, or by December 31 of the calendar year in which the Participant would have attained age 70½, if later.
 - (2) If the participant's surviving spouse is not the Participant's sole designated beneficiary, then distributions to the designated beneficiary shall begin by December 31 of the calendar year immediately following the calendar year in which the Participant died.
 - (3) If there is no designated Beneficiary as of September 30 of the year following the year of the Participant's death, the Participant's entire interest shall be distributed by December 31 of the calendar year containing the fifth anniversary of the Participant's death.
 - (4) If the Participant's surviving spouse is the Participant's sole designated Beneficiary and the surviving spouse dies after the Participant but before distributions to the surviving spouse begin, this subsection (a)(ii), other than subsection (a)(ii)(1), will apply as if the surviving spouse were the Participant.

For purposes of subsections (a)(ii) and (c), unless subsection (a)(ii)(4) applies, distributions are considered to begin on the Participant's Required Beginning Date. If subsection (a)(ii)(4) applies, distributions are considered to begin on the date distributions are required to begin to the surviving spouse under subsection (a)(ii)(1). If distributions under an annuity purchased from an insurance company irrevocably commence to the Participant before the Participant's Required Beginning Date (or to the Participant's surviving spouse before the date distributions are required to begin to the surviving spouse under subsection (a)(ii)(1), the date distributions are considered to begin is the date distributions actually commence.

- (iii) **Forms of Distribution.** Unless the Participant's interest is distributed in the form of an annuity purchased from an insurance company or in a single sum on or before the Required Beginning Date, as of the first distribution calendar year distributions shall be made in accordance with subsections (b) and (c) of this Section. If the Participant's interest is distributed in the form of an annuity purchased from an insurance company, distributions thereunder will be made in accordance with the requirements of Code Section 401(a)(9) and the Treasury Regulations.

(b) Required Minimum Distributions During Participant's Lifetime.

(i) Amount of Required Minimum Distribution for Each Distribution Calendar Year. During the Participant's lifetime, the minimum amount that will be distributed for each distribution calendar year is the lesser of:

- (1) the quotient obtained by dividing the Participant's account balance by the distribution period in the Uniform Lifetime Table set forth in Treasury Regulation Section 1.401(a)(9)-9, using the Participant's age as of the Participant's birthday in the distribution calendar year; or
- (2) if the Participant's sole designated Beneficiary for the distribution calendar year is the Participant's spouse, the quotient obtained by dividing the Participant's account balance by the number in the Joint and Last Survivor Table set forth in Treasury Regulation Section 1.401(a)(9)-9, using the Participant's and spouse's attained ages as of the Participant's and spouse's birthdays in the distribution calendar year.

(ii) Lifetime Required Minimum Distribution Through Year of Participant's Death. Required minimum distributions will be determined under this subsection (b) beginning with the first distribution calendar year and up to and including the distribution calendar year that includes the Participant's date of death.

(c) Required Minimum Distributions After Participant's Death

(i) Death On or After Date Distributions Begin.

(1) Participant Survived by Designated Beneficiary. If the Participant dies on or after the date distributions begin and there is a designated beneficiary, the minimum amount that will be distributed for each distribution calendar year after year of the Participant's death is the quotient obtained by dividing the Participant's account balance by the longer of the remaining life expectancy of the Participant or the remaining life expectancy of the Participant's designated beneficiary, determined as follows:

- (a) The Participant's remaining life expectancy is calculated using the age of the Participant in the year of death, reduced by one for each subsequent year.
- (b) If the Participant's surviving spouse is the Participant's sole designated beneficiary, the remaining life expectancy of the surviving spouse is calculated for each distribution calendar year after the year of the Participant's death using the surviving spouse's age as of the spouse's birthday in that year. For distribution calendar years after the year of the surviving spouse's death, the remaining life expectancy of the surviving spouse is calculated using the age of the surviving spouse as of the spouse's birthday in the calendar year of the spouse's death, reduced by one for each subsequent calendar year.
- (c) If the Participant's surviving spouse is not the Participant's sole designated beneficiary, the designated beneficiary's remaining life expectancy is calculated using the age of the beneficiary in the year following the year of the Participant's death, reduced by one for each subsequent year.

(2) No Designated Beneficiary. If the Participant dies on or after the date distributions begin and there is no designated beneficiary as of September 30 of the year after the year of the Participant's death, minimum amount that shall be distributed for each distribution calendar year after the year of the Participant's death is the quotient obtained by dividing the Participant's account balance by the Participant's remaining life expectancy calculated using the age of the Participant in the year of death, reduced by one for each subsequent year.

(ii) **Death Before Date Distributions Begin**

- (1) **Participant Survived by Designated Beneficiary.** If the Participant dies before the date distributions begin and there is a designated beneficiary, the minimum amount that shall be distributed for each distribution calendar year after the year of the Participant's death is the quotient obtained by dividing the Participant's account balance by the remaining life expectancy of the Participant's designated beneficiary, determined as provided in subsection (c)(i).
- (2) **No Designated Beneficiary.** If the Participant dies before the date distributions begin and there is no designated beneficiary as of September 30 of the year following the year of the Participant's death, distribution of the Participant's entire interest shall be completed by December 31 of the calendar year containing the fifth anniversary of the Participant's death.
- (3) **Death of Surviving Spouse Before Distributions to Surviving Spouse are Required to Begin.** If the Participant dies before the date distributions begin, the Participant's surviving spouse is the Participant's sole designated beneficiary, and the surviving spouse dies before distributions are required to begin to the surviving spouse under subsection (a)(ii)(1), this subsection (c)(ii) shall apply as if the surviving spouse were the Participant

(d) **Definitions**

- (i) **Designated Beneficiary.** The individual who is designated as the Beneficiary under the Plan and is the designated Beneficiary under Code Section 401(a)(9) and Treasury Regulation Section 1.401(a)(9)-1, Q&A-4.
- (ii) **Distribution calendar year.** A calendar year for which a minimum distribution is required. For distributions beginning before the Participant's death, the first distribution calendar year is the calendar year immediately preceding the calendar year which contains the Participant's Required Beginning Date. For distributions beginning after the Participant's death, the first distribution calendar year is the calendar year in which distributions are required to begin under subsection (a)(ii). The required minimum distribution for the Participant's first distribution calendar year shall be made on or before the Participant's Required Beginning Date. The required minimum distribution for other distribution calendar years, including the required minimum distribution for the distribution calendar year in which the Participant's Required Beginning Date occurs, will be made on or before December 31 of that distribution calendar year.
- (iii) **Life Expectancy.** Life expectancy as computed by use of the Single Life Table in Treasury Regulation Section 1.401(a)(9)-9.
- (iv) **Participant's Account Balance.** The Participant's account balance as of the last valuation date in the calendar year immediately preceding the distribution calendar year (valuation calendar year) increased by the amount of any contributions made and allocated or forfeitures allocated to the Participant's account balance as of dates in the valuation calendar year after the valuation date and decreased by distributions made in the valuation calendar year after the valuation date. The Participant's account balance for the valuation calendar year includes any amounts rolled over or transferred to the Plan either in the valuation calendar year or in the distribution calendar year if distributed or transferred in the valuation calendar year.
- (v) **Required Beginning Date.** The Required Beginning Date of a Participant is April 1 following the calendar year in which the Participant attains age 70½ or if later, April 1 following the calendar year in which the Participant retires.

(e) Election to Allow Participants, Former Participants or Beneficiaries to Elect 5-Year Rule.

Participants or beneficiaries may elect on an individual basis whether the 5-year rule or the life expectancy rule in subsections (a)(ii) and (c)(ii) applies to distributions after the death of a Participant who has a designated beneficiary. The election must be made no later than the earlier of September 30 of the calendar year in which distribution would be required to begin under Subsection (a)(ii), or by September 30 of the calendar year which contains the fifth anniversary of the Participant's (or, if applicable, surviving spouse's) death. If neither the Participant nor beneficiary makes an election under this paragraph, distributions will be made in accordance with subsection (a)(ii) and (c)(ii).

(f) Election to Allow Designated Beneficiary Receiving Distributions Under 5-Year Rule to Elect Life Expectancy Distributions.

A designated beneficiary who is receiving payments under the 5-year rule may make a new election to receive payments under the life expectancy rule until December 31, 2003, provided that all amounts that would have been required to be distributed under the life expectancy rule for all distribution calendar years before 2004 are distributed by the earlier of December 31, 2003 or the end of the 5-year period.

7.7 Small Sum Payments. A participant's accumulations may be received in a single sum if certain conditions are met. If a Participant in this Plan terminates employment with the Institution and requests that the Fund Sponsor pay his or her Group Retirement Annuity accumulation in a single sum, the Institution will approve such request if, at the time of the request, the following conditions apply:

1. The total Accumulation Account is \$2,000 or less.
2. The total accumulation Account attributable to Plan Contributions is not more than \$4,000.

Upon request for the small sum payment, the total Accumulation Account will be payable by the Fund Sponsor to the Participant in a lump sum and will be in full satisfaction of the Participant's rights and his or her spouse's rights to retirement or survivor benefits.

7.8 Direct Rollovers. This section applies to distributions made on or after January 1, 1993. Notwithstanding any provision of the Plan to the contrary that would otherwise limit a distributee's election under this section, a distributee may elect, at the time and in the manner prescribed by the plan administrator, to have any portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the distributee in a direct rollover.

For this section, the following definitions apply:

- 1.) Eligible rollover distribution: An eligible rollover distribution is any distribution of all or any portion of the balance to the credit of the distributee, except that an eligible rollover distribution does not include: any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the distributee or the joint lives (or joint life expectancies) of the distributee and the distributee's designated beneficiary, or for a specified period of ten years or more; any distribution to the extent such distribution is required under Code Section 401(a)(9); and the portion of any distribution that is not includable in gross income (determined without regard to the exclusion for net unrealized appreciation with respect to employer securities); and, for any distributions after 12/31/99, any hardship distribution described in Code Section 401(k)(2)(b)(i)(iv).
- 2) Eligible retirement plan: An eligible retirement plan is an individual retirement account described in Code Section 408(a), an individual retirement described in section 408(b) of the Code, or a qualified retirement plan described in Code Section 401 (a) or 403 (a) of the Code, that accepts the distributee's eligible rollover distribution. However, in the case of an eligible rollover distribution to the surviving spouse, an eligible retirement plan is an individual retirement account or individual retirement annuity.

- 3) Distributee: A distributee includes an employee or former Employee. In addition, the Employee's or former Employee's surviving spouse and the Employee's or former Employee's spouse or former spouse who is the alternate payee under a qualified domestic relations order, as defined in section 414(p) of the Code, are distributees with regard to the interest of the spouse or former spouse.
- 4) Direct rollover: A direct rollover is a payment by the Plan to the eligible retirement plan specified by the distributee.

- 8.5 **No Reversion.** Under no circumstances or conditions will any Plan Contributions of the Institution revert to, be paid to, or inure to the benefit of, directly or indirectly, the Institution. However, if Plan Contributions are made by the Institution by mistake of fact, these amounts may be returned to the Institution within one year of the date that they were made, at the option of the Institution.
- 8.6 **Statements.** The Institution will determine the total amount of contributions to be made for each Participant from time to time on the basis of its records and in accordance with the provisions of this Article. When each contribution payment is made by the Institution, the Institution will prepare a statement showing the name of each Participant and the portion of the payment that is made for him or her, and will deliver the statement to the appropriate Fund Sponsors with the contributions payment. Any determination by the Institution, evidenced by a statement delivered to the Fund Sponsors, is final and binding on all Participants, their Beneficiaries or contingent annuitants, or any other person or persons claiming an interest in or derived from the contribution's payment.

At least once a year the Fund Sponsors will send each Participant a report summarizing the status of his or her Accumulation Account(s) as of December 31 each year. Similar reports or illustrations may be obtained by a Participant upon termination of employment or at any other time by writing directly to the Fund Sponsors.

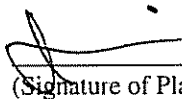

Article IX: Amendment and Termination

- 9.1 ***Amendment and Termination.*** While it is expected that this Plan will continue indefinitely, the Institution reserves the right to amend, otherwise modify, or terminate the Plan, or to discontinue any further contributions or payments under the Plan, by resolution of its Board. As of the date of complete or partial termination, all Accumulation Accounts will become nonforfeitable to the extent that benefits are accrued.
- 9.2 ***Limitation.*** Notwithstanding the provisions of the "Amendment and Termination" section of Article IX, the following conditions and limitations apply:
- (a) No amendment will be made which will operate to recapture for the Institution any contributions previously made under this Plan. However, Plan Contributions made based on a mistake of fact may be returned to the Institution within one year of the date on which the Plan Contribution was made. Also, Plan Contributions made in contemplation of approval by the Internal Revenue Service may be returned to the Institution if the Internal Revenue Service fails to approve the Plan.
 - (b) No amendment will deprive, take away, or alter any then accrued right of any Participant insofar as Plan Contributions are concerned.

Article X: Miscellaneous

- 10.1 **Plan Non-Contractual.** Nothing in this Plan will be construed as a commitment or agreement on the part of any person to continue his or her employment with the Institution, and nothing in this Plan will be construed as a commitment on the part of the Institution to continue the employment or the rate of compensation of any person for any period, and all employees of the Institution will remain subject to discharge to the same extent as if the Plan had never been put into effect.
- 10.2 **Claims of Other Persons.** The provisions of the Plan will not be construed as giving any Participant or any other person, firm, entity, or corporation, any legal or equitable right against the Institution, its officers, employees, or directors, except the rights as specifically provided for in this Plan or created in accordance with the terms and provisions of this Plan.
- 10.3 **Merger, Consolidation, or Transfers of Plan Assets.** In the event of a merger or consolidation with, or transfer of assets to, another plan, each Participant will receive immediately after such action a benefit under the plan that is equal to or greater than the benefit he or she would have received immediately before a merger, consolidation, or transfer of assets or liabilities.
- 10.4 **Finality of Determination.** All determinations with respect to the crediting of Years of Service under the Plan are made on the basis of the records of the Institution, and all determinations made are final and conclusive upon employees, former employees, and all other persons claiming a benefit interest under the Plan. Notwithstanding anything to the contrary contained in this Plan, there will be no duplication of Years of Service credited to an employee for any one period of his or her employment.
- 10.5 **Non-Alienation of Retirement Rights or Benefits.** No benefit under the Plan may, at any time, be subject in any manner to alienation, encumbrance, the claims of creditors or legal process to the fullest extent permitted by law. No person will have power in any manner to transfer, assign, alienate, or in any way encumber his or her benefits under the Plan, or any part thereof, and any attempt to do so will be void and of no effect. However, this Plan will comply with any judgment, decree or order which establishes the rights of another person to all or a portion of a Participant's benefit under this Plan to the extent that it is a "qualified domestic relations order" under section 414(p) of the Code.
- 10.6 **Governing Law.** Except as provided under federal law, the provisions of the Plan are governed by and construed in accordance with the laws of the State of Idaho.

Proposed Amendment to Optional Retirement Plan

ARTICLE XI: TRUST PROVISIONS

11.1 ***Establishment of Trust.*** The Institution shall establish a Trust, pursuant to applicable law, to hold the assets of the Trust Fund (as defined below). By signing below, the Trustees agree to hold the assets of the Trust Fund, as constituted from time to time, in trust, and to administer the Trust Fund in accordance with the terms and conditions of the Trust provisions in this Article XI. The Trustees shall, at the direction of the Institution as named fiduciary of the Plan, be the owner of the custodial account pursuant to which mutual funds shall be made available under the Plan as investment options. The Trustees shall follow the proper directions of the Institution, as named fiduciary of the Plan, with respect to the investment and withdrawal of assets in the mutual funds provided such directions are made in accordance with the terms of the Plan and are not contrary to ERISA. The shares of such mutual funds in the custodial account shall constitute the "Trust Fund." TIAA-CREF annuity contracts or certificates (and any other annuity contracts that satisfy the requirements of §401(f) of the Code) shall not be part of the Trust Fund. It shall be prohibited at any time for any part of the Trust Fund (other than such amounts as are required or permitted to be used to pay Plan expenses) to be used for, or diverted to, purposes other than the exclusive benefit of Plan Participants and Beneficiaries except as otherwise permitted under the Code and ERISA.

11.2 ***Nontransferability or Alienation of Benefits.*** No right or interest of a Plan Participant or Beneficiary shall be (a) assignable or transferable in any manner, (b) subject to any lien, or (c) liable for, or subject to any obligation or liability of any person except as otherwise permitted under the Code and ERISA. The preceding sentence shall not apply to an assignment, transfer, or attachment pursuant to a qualified domestic relations order (as defined in section 414(p) of the Code) or to a lien or levy on behalf of the Internal Revenue Service.

11.3 ***Trustees' Authority and Powers over Trust Fund.*** Subject to any limitations imposed by § 4975 of the Code and § 406 of ERISA related to prohibited transactions:

- (a) The Trustees shall have the exclusive authority and custody over all Plan assets deposited in the Trust, except to the extent otherwise provided herein.
- (b) The Trustees shall have the authority and power to make, execute, acknowledge and deliver any instruments that may be necessary or appropriate to carry out their powers.
- (c) The Trustees shall have the authority to vote by proxy on any mutual fund shares constituting the Trust Fund. In voting such proxies, the Trustees shall follow the instructions of Plan Participants and their Beneficiaries. If no instructions for voting proxies applicable to mutual fund shares are received, the Trustees shall not exercise the voting rights for such shares and will not be responsible for the failure to vote or instruct the vote of such shares.
- (d) The Trustees shall have full authority and power to do all acts whether or not expressly authorized which may be deemed necessary or proper for the protection of the Trust Fund including the exercise of any conversion privilege and/or mutual fund subscription rights.
- (e) The Trustees shall have full authority and power to sell, dispose, purchase, exchange or transfer any Trust Fund shares pursuant to the instructions of the Institution, including a return of Plan contributions to the Institution that is permitted under ERISA and the Plan. No provision of this Trust shall be construed to prevent the transfer of funds at the

direction of Participants or Beneficiaries among the Plan Allocation Accounts.

- (f) The Trustees shall apply for beneficial ownership of the custodial account pursuant to the instructions of the Institution as named fiduciary under the Plan.

11.4 **Standard of Care.** The Trustees shall discharge their duties with the care, skill, prudence and diligence under the circumstances then prevailing that a prudent man acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of like character and with like aims. No Trustee shall cause the Trust to engage in any prohibited transaction under ERISA.

11.5 **Payment of Benefits.** The Trustees shall take such actions as may be necessary to distribute Plan assets held in the Trust to Participants or Beneficiaries in accordance the instructions of the Institution under the Plan. Except as provided in the following sentence, the Trust shall not retain any part of the Accumulation Account due a Participant or Beneficiary. If the Trustees receive any claim to assets held in the Trust which is adverse to a Participant's interest or the interest of his or her Beneficiary, and the Institution as named fiduciary under the Plan, in its absolute discretion, decides the claim is, or may be, meritorious, the Institution may direct the Trustees, and the Trustees shall agree, to withhold distribution until the claim is resolved or until instructed by a court of competent jurisdiction. As an alternative, the Institution may direct the Trustees and the Trustees shall agree, to deposit all or any portion of the Participant's or Beneficiaries' interest in the Trust into the court. Deposit with the court shall relieve the Trustees of any further obligation with respect to the assets deposited. The Trustees have the right to be reimbursed from the Institution for legal fees and costs incurred.

11.6 ***Reliance on Trustees as Owner.*** No one dealing with the Trustees shall be bound to see to the application of any money paid or property transferred to or upon the order of the Trustees, or to inquire into the validity or propriety of anything the Trustees may purport to do.

11.7 ***Reliance on Institution.*** The Trustees may consult with the Institution or counsel designated by the Institution with respect to the meaning or construction of any provision of the Plan, a funding instrument which is an asset of the Trust, the Trustees' obligations or duties under this Article XI or with respect to any action or proceeding arising hereunder. To the extent permitted by law, the Trustees shall be fully protected both with respect to any action taken or omitted in good faith pursuant to the advice of the Institution or its counsel and in reliance upon any statement of fact made by the Institution.

11.8 ***Accounting of the Trustees.*** Within a reasonable period of time after the end of each Plan Year, and/or upon termination of the Trust, the Trustees shall submit to the Institution sufficient information requested by the Institution which is necessary for the Institution to carry out its respective duties under ERISA with respect to the Plan.

11.9 ***Trustees' Records.***

(a) The Trustees shall keep accurate and detailed accounts of all investments (if any), Plan assets, receipts, disbursements, and other transactions involving the Trust Fund (if any), not otherwise prepared by the custodian/record-keeper of the custodial account. All accounts, books and records relating to such transactions shall be open to inspection at all reasonable times by any person designated by the Institution.

(b) The Trustees shall submit copies of any statements or written communications received pertaining to the investment of any Plan assets

constituting the Trust Fund to the Institution contemporaneously with their receipt by the Trustees.

11.10 **Annual Valuation.** The Trustees shall cause a valuation of the Trust Fund to be made as of the last day of each Plan Year and shall provide the Institution with a written report of such valuation within a reasonable period of time after the valuation is performed. On each valuation date the earnings and losses shall be allocated to the Accumulation Account of each Participant with interest in such asset in the ratio that the Participant's interest bears to the fair market value of the asset and the Institution shall receive written notice of the value of each Participant's account held in such asset. Such report shall be prepared by the custodian/record-keeper of the custodial account.

11.11 **Compensation of Trustee.** The Trustees shall receive such reasonable compensation for services as agreed to in writing by the Trustees and the Institution, except that no compensation shall be paid to an employee of the Institution or its subsidiaries for service as a Trustee.

11.12 **Expenses.** All expenses incurred in connection with the administration of the Plan, including but not limited to Trustees' fees, fees of appraisers and accountants (if any), and legal fees shall be paid by the Institution. All expenses of the Trust Fund (if any), shall be paid by the Institution.

11.13 **Removal or Resignation of Trustee.** Any person may be removed as Trustee by the Institution at any time by notice in writing to such Trustee. Any person acting as Trustee hereunder may resign at any time upon 30 days notice in writing to the Institution. A resigning or removed Trustee shall transfer and deliver to the Institution all records of the Trust in his or her possession and shall deliver to their successor Trustees (or the Institution if there are no successor Trustees) all instruments of transfer or assignment, whereupon such Trustee shall have no further duties hereunder; provided, however, that nothing herein

shall prevent any Trustee at any time from filing a judicial settlement and accounting with a court of competent jurisdiction. The only parties to such action shall be the Trustees and the Institution. A successor Trustee shall have no duty to examine the accounts, records, investments, or acts of any previous Trustee.

11.14 ***Appointment of Successor and Additional Trustees.*** The Institution may at any time and from time to time appoint successor Trustees and/or additional Trustees. The appointment of a successor and/or an additional Trustee shall become effective upon such Trustee's written acceptance of such appointment agreeing to be bound by the provisions of this Article XI. Upon acceptance of the appointment, each successor and/or additional Trustee shall have all the powers and duties of a Trustee. Except to the extent otherwise provided under ERISA, no successor or additional Trustee shall be personally liable for any act or omission which occurred prior to the time he or she became a Trustee.

11.15 ***Actions of Trustees.*** Except as otherwise provided herein, when there are two Trustees, both must join in taking an action. When more than two Trustees are serving hereunder, all powers of the Trustees shall be by the act of a majority of such persons. Notwithstanding the foregoing, a Trustee may in a signed writing delegate his power to one or more of the other Trustees. No delegation of power may be irrevocable. Notwithstanding the delegation of a power, any Trustee who releases a power shall be liable as a result of the exercise or non-exercise of said power in the same manner as if the power had not been delegated.

11.16 ***Trustees Liability and Protection.*** To the extent permitted by applicable law:

- (a) The Trustees shall not be responsible for the adequacy of the Trust Fund to meet and discharge any and all payments and liabilities under the Plan or Trust. The Trustees shall be fully protected in acting upon any instrument, certificate, or payment believed to be genuine and to be signed or presented by the proper person or persons, and the Trustees

shall be under no duty to make any investigation or inquiry as to any statement contained in any such writing but may accept the same as conclusive evidence of the truth and accuracy of the statements therein contained. Except as otherwise provided in Section 405 of ERISA, each Trustee shall be liable only for his or her own acts of fraud, negligence or willful misconduct and for losses or diminution in value that results from his or her own acts of fraud, negligence or willful misconduct.

- (b) The responsibilities of the Trustees shall be limited to those duties specifically imposed upon them under the terms of this Article XI, and the Trustees shall not be personally liable for the acts or omissions of any other fiduciary of the Plan, except as provided in ERISA.
- (c) Except to the extent otherwise provided in this Article XI, the Trustees shall not be responsible for the investment of any property delivered to, or held in the Trust. The Trustees shall not be liable for any losses sustained by the Trust Fund by reason of the purchase, sale, retention, transfer or exchange of any investment in accordance with the provisions of the instrument or instructions of the Institution, Plan Participants and Beneficiaries under the terms of the Plan.
- (d) To the extent permitted by law, the Trustees shall be fully protected in relying upon the advice of legal counsel or the Institution with respect to their duties under the Trust.
- (e) In addition to whatever rights of indemnification the Trustees may be entitled to under the articles of incorporation, regulations or by-laws of the Institution, under any provision of law, or under any other agreement, the Institution will satisfy any liability actually and reasonably incurred by any Trustee, including expenses, attorney's fees, judgments, fines, and amounts paid in settlement or in connection with any threatened, pending,

or completed action, suit, or proceeding which is related to the exercise or failure to exercise of any of the powers, authority, responsibilities, or discretion of the Trustee as provided in this Article XI or which is reasonably believed by the Trustee to be provided hereunder or any action taken by such Trustee in connection with such reasonable belief.

11.17 **Documentation.** Any action by the Institution pursuant to this Article XI may be evidenced by writing over the signature of a person designated by the Institution in writing and the Trustees shall be fully protected in acting in accordance with such writing. Any action of the Trustees may be evidenced by a writing signed by such Trustee, and any party shall be fully protected in acting in accordance with such writing. Except to the extent otherwise provided, any notice to be given under this Article XI will be considered effective when received.

11.18 **Amendment.** The Institution may amend any provisions of this Article XI by submitting a copy of the amendment to each Trustee provided that no such amendment which affects the rights, duties or responsibilities of any Trustee may be made without his or her written consent.

11.19 **Termination.** The Trust shall continue in full force and effect for such time as may be necessary to accomplish the purposes for which it is created. If the Plan is terminated by the Institution, the Trust shall remain in existence until such time as all assets held in the Trust Fund have been distributed in accordance with the terms of the Plan.

11.20 **No Bond.** No original, successor or additional Trustee shall be required to furnish any bond except to the extent required by ERISA and other applicable law.

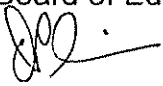

11.21 **Governing Law.** This Trust shall be construed and enforced according to the laws of the State of domicile of the Institution, and all provisions hereof shall be

administered according to the laws of such State except to the extent such laws are superseded by ERISA. The determination that any provision of this Trust is not enforceable in accordance with its terms in a particular jurisdiction shall not affect the validity or enforceability of the remaining provisions of this Trust generally or in any other jurisdiction or as to any other parties, but rather such unenforceable provisions shall be stricken or modified in accordance with such determination only as to such parties and this Trust, as so modified, shall continue to bind the specific parties involved therein and otherwise all other parties in unmodified form.

Amendment 1

AMENDMENT OF THE Idaho State Board of Education Optional Retirement Plan for EGTRRA

IN WITNESS WHEREOF, Idaho State Board of Education and Board of Regents of the University of Idaho herein amends the Idaho State Board of Education Optional Retirement Plan, as follows:

A. PREAMBLE

1. Adoption and effective date of amendment. This amendment of the Plan is adopted to reflect certain provisions of the Economic Growth and Tax Relief Reconciliation Act of 2001 ("EGTRRA"). This amendment is intended as good faith compliance with the requirements of EGTRRA and is to be construed in accordance with EGTRRA and guidance issued thereunder. Except as otherwise provided, this amendment shall be effective as of the first day of the first plan year beginning after December 31, 2001
2. Supersession of inconsistent provisions. This amendment shall supersede the provisions of the Plan to the extent those provisions are inconsistent with the provisions of this amendment.

B. LIMITATIONS ON CONTRIBUTIONS

Maximum Annual Addition. The annual addition that may be contributed or allocated to a Participant's account under the Plan for any limitation year shall not exceed the lesser of:

- (a) \$40,000, as adjusted for increases in the cost-of-living under section 415(d) of the Code, or
- (b) 100 percent of the Participant's compensation, within the meaning of section 415(c)(3) of the Code, for the limitation year.

The compensation limit referred to in (b) shall not apply to any contribution for medical benefits after separation from service (within the meaning of section 401(h) or section 419(f)(2) of the Code), if any, otherwise treated as an annual addition.

C. INCREASE IN COMPENSATION LIMIT

1. Annual Compensation Limit. The annual compensation of each Participant taken into account in determining allocations for any plan year beginning after December 31, 2001, shall not exceed \$200,000, as adjusted for cost-of-living increases in accordance with section 401(a)(17)(B) of the Code. Annual compensation means compensation during the plan year or such other consecutive 12 month period over which compensation is otherwise determined under the plan (the determination period). The cost-of-living adjustment in effect for a calendar year applies to annual compensation for the determination period that begins with or within such calendar year.
2. Plan Definition of Compensation. To the extent the Plan's definition of Compensation includes compensation not currently includable because of the application of Code Section 125 or 403(b), this definition is amended to include compensation not currently includable because of the application of Code §§ 132(f)(4) and 457.
3. Special Rule for Governmental Plans. Notwithstanding the above, employees of governmental employers who became Participants in the Plan before the first day of the plan year beginning after December 31, 1995, will be subject to the annual compensation limit in effect under the Plan before that date, as determined by IRS regulations.

D. DIRECT ROLLOVERS OF PLAN DISTRIBUTIONS

1. Effective date. This section shall apply to distributions made after December 31, 2001.
2. Modification of definition of eligible retirement plan. For purposes of the direct rollover provisions in Article VII of the Plan, an eligible retirement plan shall mean a qualified retirement plan described in section 401(a) or section 403(a), of the Code, a tax sheltered annuity plan described in section 403(b) of the Code and an eligible plan under section 457(b) of the Code which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state and which agrees to separately account for amounts transferred into such plan from this Plan. The definition of eligible retirement plan shall also apply in the case of a distribution to a surviving spouse, or to a spouse or former spouse who is the alternate payee under a qualified domestic relation order, as defined in section 414(p) of the Code.
3. Modification of definition of eligible rollover distribution to exclude hardship distributions. For purposes of the direct rollover provisions in Article VII of the Plan, any amount that is distributed on account of hardship shall not be an eligible rollover distribution and the distributee may not elect to have any portion of such a distribution paid directly to an eligible retirement plan.
3. Modification of definition of eligible rollover distribution to include after-tax employee contributions. For purposes of the direct rollover provisions in Article VII of the Plan, a portion of a distribution shall not fail to be an eligible rollover distribution merely because the portion consists of after-tax employee contributions which are not includible in gross income. However, such portion may be transferred only to an individual retirement account or annuity described in section 408(a) or (b) of the Code, or to a qualified defined contribution plan described in section 401(a) or 403(a) of the Code that agrees to separately account for amounts so transferred, including separately accounting for the portion of such distribution which is includible in gross income and the portion of such distribution which is not so includible.

E. ROLLOVERS FROM OTHER PLANS

1. Direct Rollovers. The Plan will accept a direct rollover of an eligible rollover distribution from:
 - a. A qualified plan described in section 401(a) or 403(a) of the Code including after-tax employee contributions.
 - b. A tax sheltered annuity plan described in section 403(b) of the Code, excluding after-tax employee contributions.
 - c. An eligible plan under section 457(b) of the Code which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state.
2. Participant Rollover Contributions from Other Plans. The Plan will accept a Participant contribution of an eligible rollover distribution from:
 - a. A qualified plan described in section 401(a) or 403(a) of the Code.
 - b. A tax sheltered annuity plan described in section 403(b) of the Code.
 - c. An eligible plan under section 457(b) of the Code which is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state.

3. Participant Rollover Contributions from IRAs. The Plan will accept a Participant rollover contribution of the portion of a distribution from an individual retirement account or annuity described in section 408(a) or 408(b) of the Code that is eligible to be rolled over and would otherwise be includible in gross income
